REQUEST FOR CERTIFICATE OF CORRECTION

This is a request for the issuance of a Certificate of Correction under 37 C.F.R. 1.322 in the above-identified patent. Two (2) copies of form PTO-1050 are enclosed. Applicants respectfully submit that the error, omission of the priority claim, is the fault of the Patent and Trademark Office, and correction under 37 C.F.R. 1.322 is requested.

In response to an Office Action dated January 21, 1998, Applicants filed an amendment under 37 C.F.R. 1.312 to add the priority information to the application on April 21, 1998. The amendment was accompanied by a substitute oath and declaration from each inventor in which the priority information appears. These documents were filed along with payment of the issue fee (copies of the as-filed documents are enclosed). Although the documents were received by the Publishing Division, the priority information was not added before the patent was printed, and Applicants therefore seek correction of the patent. If there are any fees due in connection with the filing of this Request, the Commissioner is hereby authorized to charge any fees due to Deposit Account No. 50-0310.
